

## MISSING CHILD POLICY AND PROCEDURES WHEN A CHILD IS NOT COLLECTED ON TIME

### EARLY YEARS FOUNDATION STAGE (EYFS)

#### PART ONE: MISSING CHILD POLICY

##### INTRODUCTION

The welfare of all of our children at Newcastle School for Boys is our paramount responsibility. A child going missing from education, particularly on repeat occasions, is a potential indicator of abuse or neglect, including sexual exploitation and so called 'honour-based' violence. Every adult who works at the School has been trained to appreciate that he or she has a key responsibility for helping to keep all of the children safe at all times. This includes the importance of effective information sharing to ensure our children are safe and receiving suitable education. Where staff have concerns that a child is missing from school, this policy should be followed. Every member of our staff who works with children has read Part 1 of the Department for Education's guidance, *Keeping Children Safe in Education 2016*. Our staffing ratios are generous and are deliberately designed to ensure that every child is supervised the whole time that he or she is in our care.

##### INFORMATION FOR PARENTS

The enhanced supervisory arrangements for outings involving our youngest children are set out in a detailed policy document: *Educational visits for EYFS children* which is on our website and can be provided to parents on request. We review these policies regularly (at least once a year) in order to satisfy ourselves that they are robust and effective. All new staff receive a thorough induction into the importance of effective supervision of very young children and read Part 1 of *Keeping Children Safe in Education 2016*.

##### ACTION TO BE FOLLOWED BY STAFF IF A CHILD FAILS TO ATTEND FIRST DAY OF SCHOOL

All new pupils are placed on the School's admission register at the beginning of the first day on which the School has agreed that the pupil will attend the School. If a child fails to attend on the agreed date, staff must inform Graeme Hallam the Designated Safeguarding Lead without delay. The Designated Safeguarding Lead will consider notifying the local authority at the earliest opportunity.

Where there are changes affecting the child (including a change of address or school), these will be reflected in the admission register. This will assist the School and external agencies when making enquiries to locate any missing children.

#### ACTIONS TO BE FOLLOWED BY STAFF IF A CHILD GOES MISSING FROM THE SCHOOL

Our procedures are designed to ensure that a missing child is found and returned to effective supervision as soon as possible. If a child was found to be missing, we would carry out the following actions:

- Take a register in order to ensure that all the other children were present.
- Check the sign in/out registers located in the Nursery.
- Inform the Head of Infants or another member of the Senior Leadership Team.
- Ask all of the adults and children calmly if they can tell us when they last remember seeing the child.
- Occupy all of the other children in their classroom(s) with a relevant activity
- At the same time, arrange for one or more adults to search everywhere within North Avenue, both inside and out, carefully checking all spaces, cupboards, washrooms etc. where a small child might hide.
- Check the doors, gates and CCTV records for signs of entry/exit.

If the child is still missing, the following steps would be taken:

- Inform the Headmaster and the Designated Safeguarding Lead (DSL)
- Ask the Head of Infants to ring the child's parents and explain what has happened, and what steps have been set in motion. Ask them to come to the School at once
- The DSL/Headmaster would notify the police
- The Headmaster would arrange for staff to search the rest of the school premises and grounds
- If the child's home is within walking distance, a member of staff would set out on foot to attempt to catch up with him/her
- The DSL would inform the Local Safeguarding Children Board (LSCB) and the School's local authority designated officer (DO)
- The School would co-operate fully with any police investigation and any safeguarding investigation by the local authority
- Inform the chair of governors
- The School's insurers would be informed
- If the child is injured, a report would be made under RIDDOR to the Health & Safety Executive (HSE)

During the course of the investigation into the missing child, the School, in consultation with the DO, will decide what information should be given to other parents, staff and other pupils and how press enquiries are to be dealt with. A full record of all activities taken up to the stage at which the child was found would be made for the incident report. If appropriate, procedures would be adjusted.

### ACTIONS TO BE FOLLOWED BY STAFF IF A CHILD GOES MISSING ON AN OUTING

- An immediate head count would be carried out in order to ensure that all of the other children were present
- An adult would search the immediate vicinity
- Inform the Head of Infants and the DSL by mobile phone
- The remaining children would be taken back to school
- Ask the Head of Infants or another member of the SLT to ring the child's parents and explain what has happened, and what steps have been set in motion. Ask them to come to either the venue or the school at once
- Contact the venue manager and arrange a search
- Contact the police
- The DSL would inform the LSCB and the School's DO
- The School would co-operate fully with any police investigation and any safeguarding investigation by the local authority
- Inform the chairman of governors
- The School's insurers would be informed
- If the child is injured, a report would be made under RIDDOR to the Health & Safety Executive (HSE)

A full record of all activities taken up to the stage at which the child was found would be made for the incident report. The school will review its procedures and, if appropriate, these would be adjusted.

### ACTIONS TO BE FOLLOWED BY STAFF ONCE THE CHILD IS FOUND

- Talk to, take care of and, if necessary, comfort the child
- Speak to the other children to ensure they understand why they should not leave the premises/separate from a group on an outing
- The Head of Infants will speak to the parents to discuss events and give an account of the incident (having discussed this beforehand with the DO if necessary)
- The Head of Infants will promise a full investigation (if appropriate involving the LSCB)
- Media queries should be referred to the Headmaster (after discussion with the DO if appropriate)
- The investigation should involve all concerned providing written statements
- The report should be detailed covering: time, place, numbers of staff and children, when the child was last seen, what appeared to have happened, the purpose of the outing, the length of time that the child was missing and how he appeared to have gone missing, as well as lessons for the future.

### DUTY TO REPORT

The School will inform the local authority of any pupil who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 10 school days or more.

Where a pupil has been continuously absent without authorisation for a period of not less than 20 school days (and there are no reasonable grounds to believe the pupil is unwell or unable to attend because of any unavoidable cause), and the school and local authority have failed, following reasonable enquiry, to ascertain where the pupil is, the school may delete the pupil's name from the admission register. The school will inform the local authority of such deletion no later than the time at which the pupil's name is deleted from the register.

The school also recognises its wider reporting duties following deletions from the admission register, in accordance with the Education (Pupil Registration) (England) Regulations 2006, to help identify children who are missing education and/or otherwise at risk of harm.

## **PART TWO: PROCEDURES TO BE FOLLOWED BY STAFF WHEN A CHILD IS NOT COLLECTED ON TIME**

If a child is not collected within half an hour of the agreed collection time, the School will call the contact numbers for the parent or carers. If there is no answer, the Head of Infants/the teacher will begin to call the emergency numbers for this child.

During this time, the child will be safely looked after.

If there is no response from the parents' or carers' contact numbers or the emergency numbers within a one hour period/when the premises are closing, the Head of Infants will contact the Social Care Duty Officer. Social Care will make emergency arrangements for the child and will arrange for a visit to be made to the child's house and will check with the police. The School will make a full written report of the incident.

**The School undertakes to look after the child safely throughout the time that he remains under our care, until such a time as he has been collected by a parent, guardian or carer, or until appropriate, alternative care arrangements have been made with Social Care and/or the police in order to prioritise the child's safety. The school's DSL will keep a record of incidents where parents/carers do not collect a child from school or are late for no explained or good reason, or where there are repeated incidents. If any concerns about the child's safety and welfare result, these will be dealt with in accordance with the school's child protection policy and procedures detailed in its staff behaviour and child protection policy.**
